A wide-angle photograph of a large industrial warehouse. The floor is a smooth, light-colored concrete. The ceiling is high, with a complex network of dark metal beams and trusses. Several bright, rectangular industrial lights are suspended from the ceiling, casting a strong light across the space. In the foreground and middle ground, there are numerous stacks of cardboard boxes. Some stacks are tall and rectangular, while others are more irregular. The boxes are mostly a light brown or tan color. In the background, more stacks of boxes are visible, along with some white walls and a few more lights. The overall atmosphere is one of a busy, organized storage facility. In the bottom right corner, there is a date stamp in a yellow, slightly stylized font that reads "2020/05/22".
